Honouring Sir Graeme Douglas

The late Sir Graeme Douglas will be remembered as pillar of the West Auckland community, a leader in business and an innovator of pharmacy, Waitemata District Health Board (DHB) Chief Executive Dr Dale Bramley said today.

“We are perhaps most indebted to Sir Graeme for his generosity and support of healthcare organisations such as ours.”

“I would like to personally acknowledge Sir Graeme’s support of the DHB’s official fundraising body, the Well Foundation and other healthcare organisations in our district where his generosity has made a lasting impact.”

“In particular, his leadership and contribution as patron of Hospice West Auckland improved quality of life, comfort and dignity for many.”

“Sir Graeme leaves an outstanding healthcare legacy in the Waitemata District through his work and philanthropy.”

“My condolences are with the Douglas family ahead of his service tomorrow,” said Dr Bramley.
